*Ashiya City Measures to Reduce Garbage and a Request to Citizens

3R Promotion

Citizens, businesses and city administration, each one from its respective standpoint, let us cooperate in promoting the 3R in order to reduce waste and recycle used products!! The 3R are regulated by the "Fundamental Plan for Establishing a Sound Material-Cycle Society."

Reuse Festa

Furniture and bicycles collected from bulky (large-sized) garbage are refurbished and made available for effective use. Items are given to those who want them at free of charge with some items. at a charge.

- * Dates: announced in Koho Ashiya (city newsletter), the city website, and through Machi-Navi (Sun TV).
- ※ Place: Recycling building in the Refuse Disposal Center. The event is limited to residents of Ashiva City.

Flea Market

An event held in cooperation with Ashiya Chamber of Commerce that aims at reducing waste and raising awareness of resource conservation. Items in disuse at home are given away to those interested

- X Details are posted in Koho Ashiva (city newsletter), the city website, and Machi-Navi (Sun TV)
- * Place: Pedestrian deck on the north side of JR Ashiya Station

What is 3R?

Use up foodstuff and articles of daily use. Purchase refillable products.

Bring things you don't need any more to places such as flea markets - somebody else can use them.

Take out for collection newspapers, magazines, cans and other recyclables.

Other Rs

Refuse

Choose simple wrapping and packaging that don't require a lot of energy or resources to produce.

Repair

Repair furniture and household goods to extend their usage.

Bring Your Own Shopping Bag (My Bag)!

If you bring your own shopping bag, there is no need to use one provided at the cash register. Resources are finite and your thoughtfulness will help preserve a beautiful environment for future generations. We appreciate your cooperation.

Stores Committed to Promoting Waste Reduction and Recycling

(known as Surimu Risaikuru Sengen no Mise - "Slim & Recycle" Stores)

Citizens, businesses and city administration come together to promote waste reduction and recycling through stores and offices designated as Surimu Risaikuru Sengen no Mise, which implement 11 commitments such as reducing wrapping waste. As of September 2014, there were 44 members, of which 27 are on the city website at their own request, Adding your store or office to the website list is good advertising and we encourage you to do so

Cardboard Box Compost
